Please note that this syllabus is subject to revision by the professor.

1. Course Description

This course builds upon OT501 in order to complete the student's introduction to Biblical Hebrew grammar and syntax. Prerequisite: OT501.

2. Course Objectives

Having successfully completed this course, students will be able to:

- 2.1 Master the elements and subtleties of Hebrew phonology.
- 2.2 Determine the range of function based on word formation (morphology).
- 2.3 Develop further knowledge of the Hebrew verbal system, as well as the forms and uses of the verbal derived stems.
- 2.4 Gain facility in using a standard Hebrew-English Lexicon (BDB), theological dictionaries and reference grammars.
- 2.5 Develop basic skills in reading and translating Biblical Hebrew.
- 2.6 Distinguish the basic differences between Hebrew prose and poetry.

3. Course Requirements

- 3.1 A critical element of language study is attendance. Faithful attendance is expected and necessary.
- 3.2 Students will receive assignments to complete before the next session. Full completion of assignments is essential in order to obtain the learning goals of this course. Students should be prepared to discuss the assigned exercises by the beginning of each class period. Feel free to collaborate with others on these assignments, but be sure that all work submitted is your own. All assignments are due at the beginning of class.
- 3.3 Since each day's work will depend on the completion of prior work, it is imperative that students complete all assignments and quizzes on time. Unexcused late assignments will be deducted 25% for each class day late. Unexcused quizzes will be deducted 33% for each class day late.
- 3.4 In the event of an emergency, it is the student's responsibility to notify the instructor as soon as possible. Absences or work submitted late will be considered unexcused if no *prior* notice is given. However, prior notice does not guarantee excused lateness!
- 3.5 There will be regular take-home quizzes and one final exam, as per the Course Outline, below. Some of the quizzes will be vocabulary only. Most quizzes will include a vocabulary, grammar and translation component. The final exam will be a comprehensive in-class translation exam, which will include parsing.

3.6 Asbury Seminary has a chapter of Eta Beta Rho (EBR or $\text{ר}^{\text{ב}}$ []) a national Hebrew honor society. Students who have taken OT501 and are interested in OT or Hebrew study will be eligible and encouraged to seek membership in the society.
